

**EUROPEAN SOCIETY OF LYMPHOLOGY**

To Prof. Evangelos Dimakakos

President Elect of the International Society of Lymphology

As President of the European Society of Lymphology (ESL), it's really a great pleasure and honor for me to send ESL very welcome greetings to all participants in the Educational Day on "Lymphedema and Lymphatic Diseases", masterfully organized by my friend Prof. Evangelos Dimakakos, specifically about "Interdisciplinary Medical Holistic Prevention and Treatment of Lymphedema and Lymphatic Diseases in Children and Adults". Prof. Dimakakos is one of the pillars of the European Society, very active, and furthermore there is an important cooperation with the Greek Society of Lymphology, which is one of the main and more active scientific societies affiliated to ESL.

I would like to wish you all a great and really fruitful congress.

Genoa - May 12, 2023

Francesco Boccardo

*ESL President*
